## ***Surveillance After Snowden***

Ongoing *Surveillance Revelations* make this the most significant conference of the year

The 6<sup>th</sup> bi-annual SSN conference will see Edward Snowden's legal attorney, Ben Wizner of the American Civil Liberties Union, speak on a dedicated 'After Snowden' panel

The **University of Barcelona**, in association with **Eticas Research and Consulting**, is hosting the sixth bi-annual **Surveillance Studies Network (SSN) Conference**. This event provides a rare opportunity to meet in the one place the foremost global academics, activists, journalists, policymakers, and think tanks in the surveillance studies field, which continues to shift its influence from the **fringes of sociological studies to one that is increasingly informing policy, media and citizens.**

The three-day conference will take place from **Thursday 24<sup>th</sup> April to Saturday 26<sup>th</sup> April in Barcelona.**

The conference's **150 speakers** will this year explore, among others, the following surveillance themes:

- **Surveillance after Snowden**
- **Smart surveillance**
- **Democracy and surveillance**
- **Resilience and surveillance**
- **Surveillance, privacy and data-protection**
- **Politics and governance of surveillance**
- **Surveillance and big data**
